

WE ARE A NATION BUILT ON THE RULE OF LAW.

Our duty is to enforce those laws and secure our borders.

The thousands of individuals that pour into our country illegally each year continue to drain precious resources from both the federal and state governments. We are a nation of immigrants and millions of people are making a mockery of our laws when they come into our country illegally and continue to break our laws. We must fix this problem and stop the flow of illegal aliens now.

CONGRESSMAN **CHARLES TAYLOR**

SECURE BORDERS • LEGAL IMMIGRATION

North Carolina is experiencing rapid growth of illegal aliens. According to the Pew Hispanic Center's Estimates of the Size and Characteristics of the Undocumented Population:

- North Carolina's illegal alien population is 300,000.
- This makes North Carolina home to the nation's 8th largest population of illegal aliens.

ALL GENERATIONS MAKE AMERICA STRONGER

And every generation has benefitted from the value of doing things right. From work, to school, to our laws, the right way is the path to a better life. The legal way is a path to a stronger America.

CONGRESSMAN TAYLOR'S PRIORITIES FOR SECURE BORDERS:

- Provide for better control of our borders through the use of physical barriers, including additional border fences and enhanced electronic surveillance;
- Enforcement of existing immigration laws;
- Provide federal assistance to local law enforcement agencies along the southern border to help detain and deport illegal aliens; and
- Once we have effectively secured our borders, then we will be prepared and able to focus on the other consequences of illegal immigration.
